

REMARKS

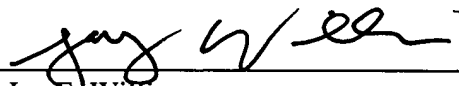

The forgoing amendment to the specification is presented to place the application in compliance with the *Quayle* Action dated June 6, 2005. Specifically, a Brief Description of the Drawings section for Fig. 1 including appropriate references to SEQ ID NOs has been inserted in the specification. Support for the amendment can be found in the originally filed Fig. 1. Thus, no new matter has been added by this amendment.

Also, a revised formal drawing for Fig. 1 with SEQ ID NOs inserted therein is being submitted concurrently herewith.

Favorable action is solicited.

Respectfully submitted,

Susan A. GREENFIELD et al.
